“Our goal is to prepare your child for their first elementary school experience,” said Myra Tatarowicz, Program Supervisor, “by developing their self-confidence, independence and cooperation skills.”

For more than 30 years, Mundelein Park District’s **Learning Center Preschool** has been part of the community, offering children the opportunity to prepare for their first elementary school experience and grow emotionally, intellectually and socially. Programs are available for ages 3 to 5, including half-day pre-kindergarten.

Registration for the 2017-2018 school session is now open with classes starting the week of September 11. Those residing in Park District boundaries are eligible for Mundelein resident tuition rates and convenient payment plans are also available. For those interested who can’t make the March date, a second Open House will be held on Thursday, April 20 from 6 pm to 7:30 pm.
