**PARK DISTRICT AMENITIES FEATURED IN SENATOR JOHNSON'S  
"30 WONDERS OF THE 30<sup>TH</sup> DISTRICT"**

**MUNDELEIN, IL** — The Mundelein Heritage Museum and Diamond Lake Beach were among the parks and facilities named in "30 Wonders of the 30th District" by Illinois State Senator Adriane Johnson. The announcement came at a recent reception held by the Senator representing the 30th District which includes Mundelein.

The 30 Wonders of the 30<sup>th</sup> District guide was published to "celebrate and uplift public amenities, parks, monuments, and other experiences around the District. From community centers to local museums, their value comes not just from their beauty or educational impact, but also from their role as community hubs," stated a release from Johnson's office. Residents are encouraged to use the project to "explore their home communities and rediscover the interesting history, artistic vibrancy, social energy and stunning nature in their own backyard."

-more-

Johnson's office publicized a brief questionnaire asking residents to share their favorite locations within the 30<sup>th</sup> District. Information was collected in the spring.

"We are very honored to have two of our locations highlighted in Senator Johnson's guide," said Ron Salski, Executive Director of Mundelein Park & Recreation District. "The Senator is a wonderful advocate for the 30<sup>th</sup> District, and this guide is a testament to that."

"We hope to encourage constituents around the district to take a little time to visit some of these wonders and enjoy all that the 30<sup>th</sup> District has to offer," said Johnson.

Diamond Lake Beach is located at 1016 Diamond Lake Road, Mundelein. It includes a natural lake, sand beach, grassy areas, and a shaded picnic grove on 100 acres. During summer, the facility is a recreational destination for swimming, boating, fishing, paddle boat and shelter rentals, special events, and more.

The Mundelein Heritage Museum is located at 601 E. Noel Drive, Mundelein. Visitors to the museum will see exhibits on early pioneers, the one-room schools of Fremont Township, memorabilia from iconic Mundelein businesses, military displays from WWI and WWII, displays dedicated to the five names of Mundelein and Mundelein's Railroad History. The Park District owns the museum and is run by the Mundelein Historical Commission.
